next meeting

Maryjane,

Thank you for jogging my memory. We do indeed want to hold the block party as originally requested, but would like to change the date from September 18 to October 2. We have a new Interim Senior Minister arriving in late September, and would like to delay the event by two weeks to allow him to participate. If you could present this request for the date change to the Selectmen at Monday's meeting and then let me know their answer, I would appreciate it. Thank you to you and Don for all of your help with our original request, and now our need to change the date. If you need to reach me for any reason before Monday's meeting, please call me on my cell phone at: 978-201-9128. I have included an attachment which is the official request on church letterhead.

Sincerely,

Pam

Pam:

Are you still interested in changing the date of the ACC Block Party? If so, is it possible for you to drop me a brief note asking for the change so that it may be presented to the Board of Selectmen for approval. Their meeting is Monday Aug. 8th. We would like something today if it is to be included on the agenda.

Thank You

Maryjane

Did we get anything from Ms. Gillispie for this? If so, let's put it on Consent for Monday. If not, we will need to send her a reminder.

Ms. Gillispie:

The Selectmen approved your request for the September 18 date on June 20. I don't see any reason that they would have a problem with the September 25th date but we would need to put it back in front of them. If you could drop a brief note (nothing elaborate), simply asking to change the date to the 25th, I would be happy to put it in front of the Board. Their next meeting is August 8. If you could get me something by August 4, I could put it on that agenda and we would have an answer for you Tuesday morning, August 9.

Don Johnson

Pam,

I do not think that this will be a major problem. I have cc'd the appropriate persons, and if they have any issues with the date change they can e-mail both of us back.

Regards,

Dean

Dean,

I need to inquire about the possibility of changing the date of the A.C.C. Block Party. We had

requested Sunday, September 18, but need to postpone it one week, to September 25. Do I need to resubmit everything again for approval, or can you contact the various parties to let them know of the date change, assuming we have been approved for the Block Party. Please let me know how to proceed.

In appreciation for your help,

Pam
