DATE: February 6, 2004

TO: Board of Selectmen

FROM: Don P. Johnson

SUBJECT: Acton Indoor Sports

The petitioner and the Building Commissioner have apparently agreed as to the need for a Special Permit for allow the restaurant use on this property. The Special Permit filing has been made and we are in the process of advertising the hearing. Since the Common Victualler's License and the Liquor License are dependent on the outcome of the Special Permit hearing, the applicant and staff have agreed that hearings for both of these approvals should be continued until March 22 at 8:15 PM.
