Acton, Massachusetts, 01720

**VOLUNTEER COORDINATING COMMITTEE**

On July 18, 2005 the Volunteer Coordinating Committee voted to recommend William Froberg as a Conservation Commission Associate member with a one year term ending 6/30/06.

Bill indicated an interest in Conservation Commission, Planning Board and Board of Health. His first choice is Conservation because he was chairman of a Conservation Commission in Tyngsborough (1998-1999). He has changed his work in the business world as an Engineer with IBM to becoming a middle school teacher. He has always been an environmentalist and feels caring for the environment is very important.

The VCC were impressed with his enthusiasm and his desire to now serve the town in which his family has chosen to live.

Christine,

The Conservation Commission currently has an opening for a full-time member as Jeff Rogers recently resigned from his position on the Commission. In addition, the Commission (as noted in a previous e-mail dated 9/21/05), has no active associates and really should have two people learning the nuances of the Wetlands Protection Act.

What are the current needs as of today that need to be filled? VCC has a person that they suggest be appointed as an Associate Member for one year. His name is William Froberg
