---

Attached is the revised CR for Quail Ridge from Pulte's counsel reflecting the incorporation of comments from EOEA. The changes look acceptable, but I would like to call your attention the change in Section IV (Future Use) to ensure that the Commission is comfortable with the 60 day notice. I am in the process of reviewing the balance of the handwritten markup from EOEA to ensure that all of the comments have been addressed and will let you know if there is anything further.

Best,
Stephanie
