RE: REQUEST FOR GIFT ACCEPTANCE

DATE: October 14, 2005

I would like to request that the Board of Selectmen accept the gift from the Acton Lions Club of \$1000 to the Acton Council on Aging, to support the production expenses of the new Acton Senior Cable Show, "the Elderberries." The money will be used to cover wages of the cable show coordinator as well as some of the set production expenses.

Several senior volunteers have worked very hard with the show coordinator this summer and early fall to get the first show off the ground and airing this month on channel 8. There is a lot of very positive enthusiasm and energy toward producing a new show monthly or bimonthly, featuring senior center programs and services as well as other town and community programs of interest to seniors. This gift will enable "the Elderberries" to move forward toward that goal.

Thank you.
