Acton WRAC

(Water Resources Advisory Committee)

2007 Town Meeting Articles

1

Why?

- CWRMP identified "High Priority" Needs Areas based upon:
  - Environmental Analyses
  - Broad-scale Town vision and goals
- Those areas include:
  - Spencer/Tuttle Neighborhood
  - West Acton Village

2

Why?

Out of 3 Potential Solutions….

- The CWRMP **Recommended** Sewers as a Solution for:
  - Spencer/Tuttle neighborhood
  - West Acton Village (east of the RR tracks)

3

What?

- Article CB – RIB Capacity Study
  - Tells us our potential capacity at Adams Street for wastewater disposal
  - This is necessary information as we move forward with implementation of the CWRMP recommendations
- Article CC – Sewer Feasibility Study
  - Provides us with design scenarios and cost estimates for a sewer expansion to the Spencer/Tuttle neighborhood and West Acton Village (east of the RR tracks)
  - Moves us one step closer to implementing a CWRMP recommendation
