TOWN MANAGER'S OFFICE

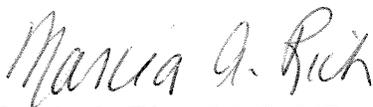

Members of the Board,

I would like your consent to dispose of 64 items that have been removed from Acton Memorial Library's collections by professional librarians on the staff. Items have been removed due to condition, lack of accuracy or use, or because they are no-longer-needed multiple copies of a title which was once in high demand.

Considering their condition and the presence of library markings, I believe their value to be negligible.

Thank you for your consideration of this matter.

Sincerely,

Marcia A. Rich, MLS, MBA
Library Director
