Board of Selectmen  
Acton Town Hall

Members of the Board,

I request consent to dispose of a sofa from the library's Children's Department. Its condition is so poor that there is concern that pieces of stuffing coming out of it could be a choking hazard.

Thank you for your consideration of this matter.

Sincerely,

A handwritten signature in cursive script that reads "Marcia A. Rich".

Marcia A. Rich, MLS, MBA  
Library Director
