Mark:

We have established a new committee - the design review guidelines committee, which is advisory to the BoS. Can you set up an e-mail shell? Here are the members:

Peter Ashton

Lauren Rosenzweig

Terra Friedrichs

Ann Sussman

Tom Peterman

Lynne Alpert

Steve Steinberg

Greg Antonioli

Anne Forbes

THanks

Peter

John:

No - I guess we should do that at our next meeting shoudn't we! The actual members of the committee are

Me, Lauren, Tom, Lynne, Terra & Ann. The other want to be involved but do not wish to be "official" members.
