Town of Acton Sewer Commissioners  
472 Main Street  
Acton, MA 01720

Dear Commissioners:

It has been brought to our attention that you will be voting to extend the rebate on sewer bills, which is expiring on June 30, 2003. The Board of Governors of Parker's Crossing Condominium would like to request that you vote for an extension of rebate, if the "gift fund" would allow. Our situation with the current year sewer bills is that at the time of tie in, we prepared a budget based on figures from the town. At the present time our projected expense at year-end will be in the realm of \$22,000.00 over budget.

It would be greatly appreciated if this rebate could be extended as long as the funding will allow.

If you have any questions or require any additional information regarding this matter, please do not hesitate to contact our office at any time.

Sincerely,

Scott M. Loughlin  
On Behalf of the Board of Governors
