Re: Decision 05-02 Gagliano – 17 Washington Drive, Acton

Dear Board Members:

On behalf of Helene and Guido Gagliano, we hereby request an extension of the one year for plan endorsement. GPR and the office of attorney Henry Hogan have been preparing responses to the last round of requested changes. GPR and the Acton Engineering office have been working together to create a more detailed base plan for the sidewalk improvements. Upon completion GPR and the office of Henry Hogan will submit revised plans and documents.

Given our late timing and to provide adequate time for the Acton staff and Planning Board to review the requested modifications we respectfully request an additional extension of one month for the plan endorsement.

Please contact our office if you have any questions or need further documentation.

Sincerely,
Goldsmith, Prest & Ringwall, Inc.
