Enclosed please find some materials regarding Question #1 on the upcoming November ballot, the Bill To Allow Wine To Be Sold in Food Stores.

While I am sure that all of you have heard a fair amount about this bill, there are a number of pertinent facts which should be made as public as have the arguments brought forth by the grocery industry. In this packet is my attempt to provide to you those facts, in the hope that they will help you to see why the passage of this bill would be a severe detriment to this state, and to the town of Acton.

Should you have any questions regarding these materials or any aspect of the bill and its ramifications, I hope you will feel free to contact me at 978-263-9060.

Respectfully yours,

Stephen P. Zeitler, President
Acton Wine & Spirit Co.
