This memo is written in response to the recent application for a Common Victuller's License made by Subway, proposed to be located at 134 Great Road, Acton, MA. This food service establishment has submitted the application and plans to locate at the property and is working with the Health Department on achieving compliance with the food code and all other Board of Health regulations. At this time, the Health Department has no outstanding issues with this establishment and recommends approval of said license.

INTERDEPARTMENTAL COMMUNICATION

To: Don P. Johnson, Town Manager **Date:** July 29, 2003
From: Garry A. Rhodes, Building Commissioner 
Subject: Common Victuller's License 134 Great Road

I have reviewed the application for Subway. This site has been used as a restaurant for many years. I do not have any objections if the Board of Selectmen grants the request.
