Applicant: Omnipoint Communications, Inc., a wholly owned  
subsidiary of T-Mobile USA, Inc. (the "Applicant")

Dear Honorable Members of the Planning Board:

This office represents the Applicant in connection with the Application for Special Permit before the Town of Acton Planning Board (the "Board"). The Board continued the prior hearing on the above-referenced matter to Tuesday, November 28, 2006. The Applicant is working to revise the site plans per the landlord's request. However, the Applicant cannot provide revised plans in sufficient time for the Board's review prior to the October hearing. Accordingly, this letter is to request that the public hearing be continued to the Board's meeting scheduled for Tuesday, January 23, 2006 at 7:45 p.m.

Based on this request, we understand that the Applicant's representatives need not appear at the November 28th hearing. Please contact me immediately if a representative will be required to attend.

In addition, the Applicant agrees to extend the time within which the Board must file its written decision in this matter to and including April 12, 2007.

Please do not hesitate to contact me if you have any questions or concerns.

Thank you for your attention to this matter

Sincerely,

A handwritten signature in black ink, appearing to read "Brian S. Grossman".
