**Subject:** Heritage Landscape report

Dear Walter,

We've received the final report on the Acton Heritage Landscape Reconnaissance, and I'd like to "formally" present the study to the Board of Selectmen. Knowing that you're all very busy, and will have plenty of reading material over the holidays to get through the budget, I'd like to ask if I could come before you next Monday evening under "Public Participation" and just present the report (not ask that you adopt the report, just accept it from me as your appointee), and ask that you post it on the town website. I'll follow up with an e-mail to town boards and let them know that the report is there, and then would suggest that maybe we schedule a meeting for sometime in the first half of February for a representative from each of the relevant committees to come discuss the report, and whether there are follow-up activities that people would like to jointly pursue.

We've got a wonderful planning document as a result of this process, which should assist many of the land-use and historic committees in their work in the years ahead. Thank you for supporting this project!

Let me know if you have any questions. I've got a summary sheet I'd be happy to provide for the packet, if you think that's a good idea.

Mary Ann
