Subject: 60 Powdermill Rd

Chief,

I went to 60 Powdermill Rd. Acton Suzuki this morning at 6:45 A.M. and conducted a count of vehicles. A total of 19 vehicles both new and used were in the parking lot. One vehicle green ford explorer was parked in a employee parking spot and this vehicle did come back properly registered and I assume that this was a employee vehicle or a vehicle for repair not for sale.

Det. C. Prehl
