Spring 2007

To Our Community,

Welcome to the 2007 Spring/Summer Recreation Program. Maura Haberman and I have assembled an exciting mix of programs, events and trips for all ages. We've expanded options for adults, aged 50+. See our Active Adult Tennis classes, Active Adult Walking Group program at NARA, Cardio Tennis, Scrapbooking classes, Framing classes, Birding in Acton with Andy Magee, Senior Nature Walks with Tom Tidman, and Bingo Evenings for Adults at NARA. There's a new and exciting event called Wellness University on Saturday, April 28. It is jointly hosted by the Town of Acton Council on Aging, Health Department, Recreation Department and Acton Public Health Nursing Service. It takes place on Saturday, April 28, a wonderful educational opportunity for adults 50 and over. Call 978-844-2574 to register early! This FREE event is funded by a CHNA 15 Mini Grant and Emerson Hospital.

For children, the NARA Summer Youth and Mighty Mini Program includes new and exciting themes, along with traditional favorites. We continue our popular Smart Start classes, which prepare youngsters for competitive sports. We've expanded our tennis program options through the Next Champions, including Tykes lessons for 4-6 year olds, and more classes for all age and experience levels. Check out our sports clinics for softball, field hockey, and baseball. "Pepsi, Pitch, Hit and Run" is a great free competitive event for boys and girls 7-14 on Sunday, April 29<sup>th</sup>, don't miss it! The Theater in the Park Program launches this summer with a July production of "Treasure Island, A Musical Adventure" and August production of "Once On This Island" at NARA's amphitheater by Acton Teen Repertory Theater.

Other offerings that are new include Behavior Training for Older and Rescue Dogs by a well respected dog trainer, Christine Macdonald. Check out our Gardening classes, including Floral Arts and Container workshops. There is a rare opportunity to attend a series of two Garden Tours offered by the Acton Garden Club to public gardens maintained by the club. Our bus trips offer more variety than ever, make sure you review them all! Special events this year include a Recreation sponsored Golf Tournament, T.J. O'Grady Skate Park First Anniversary event, and our free Concerts throughout the summer. Our July 4<sup>th</sup> event at NARA will be as big as ever. Remember to reserve September 15 for Acton Day.

Recreation would like to thank our sponsors: Donelan's Supermarket and Gould's Plaza, sponsors for 2007 July 4<sup>th</sup> Fireworks; Comcast, Dunkin' Donuts, and Roche Brothers, Premier sponsors of 2007 Winterfest; and Middlesex Savings Bank and Cambridge Savings Bank, 2007 Winterfest sponsors.

To Your Good Health,  
Cathy Fochtman

### START SMART SPORT PROGRAMS

**What is Start Smart?** Start Smart is a proven instructional program that prepares children for the world of organized sports without the threat of competition or the fear of getting hurt. Parents work together with their children in a supportive environment to learn all of the basic skills...throwing catching, kicking and batting...for sports, such as baseball, softball, soccer etc...

Start Smart was developed by top motor skills development specialists in the field of youth sports. Parent-child groups perform motor skill tasks that gradually build confidence in children while they are having fun at the same time. The Start Smart Sports Readiness Test helps objectively measure kids' abilities. As the program progresses and children show improvement, the skill stations are altered so that each child remains challenged. Parents spend quality time together with their children while learning how to properly teach and support them in sports.

#### **Sport Specific Programs:**

These programs allow parents and children to work together in a developmentally appropriate program that teaches motor skill development and basic sports skills unique to a particular sport. Sport specific programs allow children to learn about a particular sport while participating in a fun, non-threatening environment. Start Smart Sport Specific programs prepare both the child and parent for organized competitive youth sports programs (i.e. baseball, softball, soccer basketball, golf, etc.).

**Why choose Start Smart?** It builds confidence and self-esteem in children; Fun and positive early experience in sports; Helps prepare kids for future sports participation; Helps prepare kids and parents for specific sports; Quality time together for parent and child; Helps parents learn how to support and teach their child.
