Subject: LIP unit clarity

Dear Board members,

Just to be sure you understand what I am seeking from the Board tonight, preferably without my being present to say so. I would like the Selectmen to authorize the use of Town Counsel, at Town expense, to take action to prevent the Foreclosure of the LIP unit at 670 Mass. Ave. and to work with DHCD to find a way to retain the unit as an affordable one.

That's it.

Thanks.

Nancy
