Hi Kelley-Jaye,

Our newly reconstituted Board of Selectmen will have our first regularly scheduled meeting on April 23rd. At that time we will discuss having Marc Draisen come out to meet with the Board. Our Community Preservation Committee (CPC) had already been discussing the possibility of having Stuart Saginor come out to meet with them, so we will try to figure out the best way to coordinate it all. We are entertaining the possibility of a joint Selectmen/CPC meeting so that Stuart and Marc only need to come out once. After the 23rd we should have some possible dates for you, and perhaps some advance questions, etc. We appreciate the opportunity to hear from Marc and Stuart directly about the legislation.

Sincerely,

Lauren

Hi Lauren,

Thank you so much for acting on this. I know Marc is eager to meet with the Board. Given past conversations he has had with the Acton BOS regarding the CPA he wants to ensure he is responsive and inclusive as legislation moves ahead.

Regards,
Kelley-Jaye

Andy:

As Vice-Chair of the Board, in the absence of a Chair, I am turning to you for direction with regard to the next agenda - specifically, the request below. I would respectfully suggest that we place these e-mails on the agenda for the next meeting of the Board (April 23), for the Board's consideration under Selectmen's Business.

Regards,
Don

Hi Peter,

The Committee had discussed having Stuart attend our May 10th meeting. But with this new info. from MAPC, we should definitely try to get everyone (CPC, BoS, Stuart, Marc) together at the same time, if possible. Let me know what is decided.

FYI: The CPC has already discussed inviting Stuart Saginor, who is the Executive Director of the statewide Community Preservation Coalition, to attend a future meeting. One of the agenda items will be pending legislation. I believe the Coalition may be retaining Bob Durand's firm to help with legislation. Thank you to the Selectman for funding the dues for the Coalition.

Catherine, did the CPC set a date to meet with Stuart? Maybe we could do a joint meeting?

I am requesting that we have Marc Draisen in to discuss recent issues regarding the future state funding of the Community Preservation Act. Due to anticipated reductions in real estate transactions, alternative sources of CPA funding are being sought. I do not know all the details, but anticipate that Marc Draisen can give us the information we need to advocate for Acton. As the MAPC/MAGIC representative I recommend that we respond to Kelly-Jaye Rosberg, our MAPC staff person for MAGIC as soon as possible to get Marc Draisen on our agenda.

Sincerely,

Lauren

Hi Lauren,

Marc Draisen would like to attend one of the Acton BOS meetings to discuss where CPA is at now given the new agreement between CPC and Metro Mayors and the filed legislation. At the meeting he would like to have a chance to describe the agreement, and brief you on its contents and, discuss any other planning issues they feel are relevant. Additionally, we would like to invite Stuart Saginor of CPC to attend the meeting.

Please let me know if this is possible. If so, please also let me know a convenient date.

Thank you,
Kelley-Jaye
