- OTHER -

- 1) The committee will be a sub-committee of TAC.
- 2) The committee will consist of 7 - 9 people - including two representatives from TAC.
- 3) The other members will be solicited by placing announcements in the newspaper and in various email lists. We will attempt to solicit members from different areas of town.
- 4) We will start by defining criteria that will be used to prioritize sidewalk construction.
- 5) The goal of the committee is to present a prioritized list of sidewalk projects as a recommendation to the Board of Selectmen.
- 6) The goal is to have this list available in time to guide decisions about sidewalk projects for Spring / Summer 2008.

Proposed request for participation:

Sidewalk Committee

Acton is forming a sidewalk committee that will function as a sub-committee of the Transportation Advisory Committee (TAC). The Sidewalk Committee will develop a set of criteria to use in evaluating potential sidewalk projects and then will use that criteria to create a priority list for sidewalk construction. The Sidewalk Committee should include representatives from many different areas of town who are also willing to look at the needs of the town as a whole.

If you are interested in serving on this committee, please send email to: xxx. Include your address, your reasons for wanting to serve and any background you have that could be valuable in the work of this committee.
