With respect to the Order of Conditions (DEP File No. 85-873) issued August 4, 2004, I am applying for an extension permit. In addition to taking long than I originally anticipated arranging the financing for the project, I have had a very difficult time finding a builder interested in accepting the job. I now have a builder who expects to have the project substantially complete by the August 4, 2007 expiration of the Order of Conditions, but will not likely be fully complete. Although completion should not extend much beyond the Order's original expiration date, I request an 18 month extension in case any unforeseen circumstances arise that would prevent the project's completion this summer/fall.

Sincerely,

A handwritten signature in cursive script, appearing to read "Kenneth Kane", written in black ink.
