CONSENT OF MEMBERS
JULY 17th, 2007

The undersigned members (the "Members") of QUAIL RIDGE COUNTRY CLUB LLC (the "Company"), a Massachusetts limited liability company, hereby consent, agree, and adopt the following resolutions:

RESOLVED: That it is advisable that the Company do any and all things necessary to file an Application for a Senior Residence Special Permit with the Town of Acton for The Residences at Quail Ridge, to be located on the four parcels of land, 155.546 +/- acres in aggregate, together with the buildings, structures and improvements thereon, known as Quail Ridge Country Club, Acton, MA, located off of Skyline Drive, Acton, MA and being more particularly described in Exhibit A attached hereto (the "Property"); and

FURTHER RESOLVED: That any one of the Managers of the company, A. Peter Andersen and Ronald B. Peabody, acting singly, is hereby authorized to execute, acknowledge, deliver in the name of and on behalf of the Company any and all documents and/or certificates as may be required by the Town of Acton as otherwise deemed necessary or appropriate to filing the Application for a Senior Residence Special Permit described in the preceding paragraph, the signature of which manager appearing on any such document to be conclusive evidence of its having been authorized and approved by the LLC.

To evidence our consent and agreement, we hereby execute this document, which may be executed by facsimile and in counterparts, each of which shall be deemed to be an original, but all of which shall be deemed to be one and the same document, and direct that this Consent be filed with the records of the Company.

EXHIBIT A

The land, together with the buildings thereon, in Acton, Middlesex County, Massachusetts, being more particularly described as follows:

Parcel One:

The land with the buildings thereon located on the southwesterly side of Great Road, Acton, Middlesex County, Massachusetts, being shown as Parcel B on a plan entitled "Skyline Drive Definitive Subdivision, Acton, Massachusetts". Lot Layout Plan prepared for Quail Ridge County Club, LLC dated April 14, 2003, revised June 18, 2003, by Stamski and McNary, Inc., recorded with the Middlesex South District Registry of Deeds as Plan No. 643 of 2003, to which plan reference is made for a more particular description.

Parcel B contains 139.8978± acres according to said plan.

For title to Parcel One, see deed dated July 15, 2003, recorded with said Deeds in Book 40020, Page 72. See also Confirmatory Deed dated September 18, 2003, recorded with said Deeds in Book 40979, Page 44.

Parcel Two:

A certain parcel of land located in Acton, Middlesex County, Massachusetts consisting of approximately 3.75 acres (the "Premises"), bounded and described as follows:

Beginning at the Southeasterly corner of the Premises at a stone bound in the middle of the concord Water Works right of way, thence running north 9 degrees 26' West 124.7 feet to a corner of land formerly of Ruth Robbins; thence turning and running South 85 degrees 14' West 163.4 feet to a stake; thence turning and running North 3 degrees 0' West 269.3 feet by land of Thomas F. McCarthy heirs; thence running North 19 degrees 1' West 16 feet; thence running North 40 degrees 42' West 29.2 feet; thence running North 29 degrees 12 West 83.4 feet to a stake, the last three courses being by said land of Thomas F. McCarthy heirs; thence turning and running South 78 degrees 9' West 325.6 feet to a stake by other land of Nelson H. Tenney; thence turning and running by said Tenney land South 11 degrees 51' East 531.5 feet to a stake; thence turning and running by said Tenney land North 78 degrees 9' East 481.5 feet to the point of beginning.

Said Premises are shown on Plan Number 526 of 1932, entitled "Plan of Land in Acton Mass" date June 1932 by Leonard C. Robinson, Engineer and recorded September 28, 1932 in Book 5676, Page 332 in the Middlesex South District Registry of Deeds.

For title to Parcel Two, see deed dated July 15, 2003, recorded with said Deeds in Book 40020, Page 72. See also Confirmatory Deed dated September 18, 2003, recorded with said Deeds in Book 40979, Page 44.

Parcel Three: (Registered Parcel)

A certain parcel of land in Acton, Middlesex County, Massachusetts bounded and described as follows:

Northerly by land now or formerly of Ruth Robins, two hundred and twenty-two feet;

Northeasterly by said Robbins land and land now or formerly of Stella D. Smith, nine hundred and fifty-two feet; and

Northerly, fifty-eight feet, and
Southeasterly, one hundred eighty-two and 50/100 feet by said Smith land;

Westerly, forty-three feet,
Southwesterly, four hundred and ninety feet, and
Southerly, three hundred and eighty-two feet, by land now or formerly of Mary S. Munro; and

Westerly by land now or formerly of Moses Taylor, three hundred and six feet.

All of said boundaries are determined by the Court to be located as shown on a plan, as approved by the court, filed in the Land Registration Office, a copy of a portion of which is filed in the Registry of Deeds for the South Registry District of Middlesex County in Registration Book 18, Page 565, with Certificate 3179.

For title to Parcel Three, see Certificate of Title No. 228254, filed in the Registry of Deeds for the South Registry District of Middlesex County in Book 1271, Page 104.

Parcel Four:

The land in Acton, Middlesex County, Massachusetts, containing 11.5 acres of land, bounded as follows:

Beginning at a corner of a wall, being the Northeast corner of the Premises at land of said Taylor;

Thence Westerly on land of said Taylor to a corner of a wall at the wood pasture, so called;

Thence Southerly on said wood pasture and land of Simon Tuttle to a stake and stones in the swamp;

Thence Easterly on land of Luther Conant and Horace Tuttle to a stake and stone by the walls at the Muiler lot so called;

Thence Northerly on said Muiler lot as the wall now stands to a corner of a wall being the first bound.

For title to Parcel Four, see deed from the Town of Acton recorded with the Middlesex South

District Registry of Deeds in Book 42294, Page 177.

Said Parcels are conveyed with the right to use Skyline Drive as shown on the plan entitled "Skyline Drive Definitive Subdivision, Acton, Massachusetts". Lot Layout Plan prepared for Quail Ridge County Club, LLC dated April 14, 2003, revised June 18, 2003, by Stamski and McNary, Inc., recorded with the Middlesex South District Registry of Deeds as Plan No. 643 of 2003, for all purposes for which streets and ways are now or may hereafter be used in the Town of Acton, including, without limitation, access on foot and motor vehicle, and installing, maintaining, and replacing any and all utilities needed to service said Parcels.

10. Predominant soil type(s) on the site: _____

Chartlon/Hollis Rock Outcrop Complex; Hinckley, Paxton, Scituate

Soil drainage (Use the US Soil Conservation Service's definition)

Soil Type	*% of the Site*
Well drained	4
Moderately well drained	80
Poorly drained	16

11. Are there bedrock outcroppings on the site? __X__ yes _____ no

12. Approximate percentage of proposed site with slopes between:

Slope	*% of the Site*
0 - 10%	60
10 - 15%	35
greater than 15%	5

13. In which of the Groundwater Protection Districts in the site located? How close is the site to a public well? Zone(s) 2,3 & 4 proximity to a public well: 3,400 feet to Lot 1.
1,300 feet to Open Space.

14. Does the project site contain any species of plant or animal life that is identified as rare or endangered? (Consult with the Massachusetts National Heritage Program and the Acton Natural Resources Director). _____ yes __X__ no

If yes, specify: Based on MA Heritage Atlas 12th Edition.

15. Are there any unusual or unique features on the site such as trees larger than 30 inches D.B.H., bogs, kettle ponds, eskers, drumlins, quarries, distinctive rock formation or granite bridges?
__X__ yes _____ no

If yes, specify: Trees larger than 30 inches D.B.H., wooden bridges and ponds associated with existing golf course.

16. Are there any established foot paths running through the site or railroad right of ways?

__X__ yes _____ no If yes, specify: _Path from Concord Public Works land to north.

17. Is the site presently used by the community or neighborhood as an open space or recreation area? __X__ yes _____ no Existing Golf Course

Is the site adjacent to conservation land or a recreation area? __X__ yes _____ no

If yes, specify: ___Abuts land of the Town of Acton, Comm. of MA Fish & Wildlife; Town of Concord Public Works__

18. Does the site include scenic views or will the proposed development cause any scenic vistas to be obstructed from view? _____ yes __X__ no

If yes, specify: _____

_____

19. Are there wetlands, lakes, ponds, streams, or rivers within or contiguous to the site?
__X__ yes _____ no

If yes, specify: Bordering & Isolated Wetlands; man-made ponds within golf course; Nagog Brook (perennial); Will's Hole Brook (perennial); Nagog Pond abuts to the northwest._

20. Is there any farmland or forest land on the site protected under Chapter 61A or 61B of the Massachusetts General Laws? _____ yes __X__ no

If yes, specify: _____

_____

21. Has the site ever been used for the disposal of hazardous waste? Has a 21E Study been conducted for the site? _____ yes __X__ no

If yes, specify results: __A 21E was performed for this site prior to the permitting for the golf course, and was found to be clean._____

_____

22. Will the proposed activity require use and/or storage of hazardous materials, or generation of hazardous waste? _____ yes __X___ no

If yes, specify: _____

23. Does the project contain any buildings or sites of historic or archaeological significance? (Consult with the Acton Historic Commission or the Action Historical Society.)
___ yes __X__ no

If yes, please describe _____

24. Is the project contiguous to or does it contain a building in a local historic district or national register district? ___ yes _X_ no

25. Is the project contiguous to any section of the Isaac Davis Trail?
___ yes _X_ no If yes, please describe_____

B. Circulation System

26. What is the average weekday traffic and peak hour traffic volumes generated by the proposed subdivision?

*Provided by: Conley Associates

Average weekday traffic	838
Average peak hour volumes morning	56
Average peak hour volumes evening	69

27. Existing street(s) providing access to proposed subdivision:

Name Great Road via Skyline Drive; Palmer Lane; Hazelnut Street (emergency access); Additional stub from Acorn Park Drive Town Classification Arterial (Great Rd) Local

28. Existing intersection(s): list intersections located within 1000 feet of any access to the proposed development:
Name of ways Hazelnut Street; Acorn Park Drive; Palmer Lane; Great Road; Main Street; Wampus Avenue.

29. Location of existing sidewalks within 1000 feet of the proposed site? Hazelnut Street; Acorn Park Drive; Palmer Way; Great Road and Main Street. An existing foot path on abutting Town of Concord Public Works land also exists to the northwest near Nagog Pond.

30. Location of proposed sidewalks and their connection to existing sidewalks:
Sidewalks are proposed along all interior driveways beginning at the golf course parking lot entrance on Lot 2 connecting to the existing sidewalk on Palmer Way; the existing paved driveway from Hazelnut Street and the existing foot path near Nagog Pond.

31. Are there parcels of undeveloped land adjacent to the proposed site? _X_ yes ___ no

Will access to these undeveloped parcels be provided within the proposed site?
___ yes _X_ no If yes, please describe _____

If no, please explain why: Abutting parcels are owned by either the Town of Acton or MA Fish & Wildlife with access already available from Nagog Hill Road and Main Street respectively.

C. Utilities and Municipal Services

32. If dwelling units are to be constructed, what is the total number of bedrooms proposed?

(177 units at two bedrooms per unit) = 354 bedrooms total.

33. If the proposed use of the site is nonresidential, what will the site be specifically used for and how many feet of gross floor area will be constructed? __

34. Storm Drainage

    a. Describe nature, location and surface water body receiving current surface water of the site: Nagog Brook is a perennial stream which flows through the center of the site in a southeasterly direction (from Nagog Pond off-site to the northwest to Nashoba Brook located off-site on the opposite side of Main Street (Route 27). Other than the areas draining to the existing ponds on the golf course, the surface water from most of the site drains into this brook.

    b. Describe the proposed storm drainage system and how it will be altered by the proposed development: The existing drainage system associated with the golf course will be utilized to the extent practicable. Alteration and or additional drainage components will be incorporated as necessary in accordance with applicable regulations.

    c. Will a NPDS Permit be required? _X_ yes ___ no

35. In the event of fire, estimate the response time of the fire department (consult with Fire Dept.) < 4 minutes

36. Schools (if residential)
    a. Projected number of new school age children: 0
    b. Distance to nearest school: n/a

E. Measures to Mitigate Impacts

Attach brief descriptions of the measures that will be taken to:

37. Prevent surface water contamination.

38. Prevent groundwater contamination.

39. Maximize groundwater recharge.

40. Prevent erosion and sedimentation.

41. Maintain slope stability.

42. Design the project to conserve energy.

43. Preserve wildlife habitat.

44. Preserve wetlands.

45. Ensure compatibility with the surrounding land uses.

46. Control peak runoff from the site so that the post-development rate of runoff will be no greater than the predevelopment rate of runoff for the 10-year storm event.

47. Preserve historically significant structure sand features on the site.

48. To mitigate the impact of the traffic generated by the development.

Please use layman's terms where possible while still being accurate and comprehensive. Where appropriate, graphics shall be used. List sources of data, reference materials, and methodology used to determine all conclusions. Use additional sheets as necessary.

37. Surface water contamination will be mitigated by the use of deep sump and hooded catch basins, Stormceptor treatment technology where shown, and within the drainage basins, which will remove gas, oil, and 80-85% of the total suspended solids from runoff. All runoff is to be treated according to Massachusetts Stormwater Management Standards.

38. Groundwater contamination will be mitigated by the use of deep sump and hooded catch basins, Stormceptor treatment technology where shown, and drainage basins, which will remove gas, oil, and 80-85% of the total suspended solids from runoff prior to recharge. All runoff is to be treated according to Massachusetts Stormwater Management Standards. The project will feature a Biomembrane Tertiary Wastewater Treatment Facility with nitrogen levels of 10 ppm or less.

39. The stormwater management system has been design in a manner that promotes the collection of runoff within various locations throughout the site.

40. During construction, a haybale and/or siltation fence will be placed between the limit of construction and the edge of wetlands and will remain in place until a vegetative cover is established and a Certificate of Compliance is issued from the Acton Conservation Commission. Any silt, construction debris, etc. shall be removed from the wetlands immediately upon discovery. All sediments spilled, dropped, or washed into public rights-of-ways shall also be removed immediately. All catchbasins and manhole rims will be covered with siltation fabric. The sumps will be cleaned out immediately upon completion of construction activities. All cut and fill slopes will be stabilized immediately with six inches (6") of loam and seed during the growing season (April 1 to November 1) or with haymulch during the non-growing season (November 1 to April 1). Any fill material used shall be free of hazardous material and construction debris. Rip rap will be placed at the end of all drainage outlets. Please see *Erosion and Sedimentation Control Plan.*

41. All cut and fill slopes will be stabilized immediately with six inches (6") of loam and seed during the growing season (April 1 to November 1) or with haymulch during the non-growing season (November 1 to April 1). Haybales shall remain in place until vegetation has been established. Slopes steeper than 3:1 shall be loamed, seeded, rolled, and stabilized, with "Contech Ero-Mat" Erosion Mat, installed according to Manufacturer's Instructions. Slopes steeper than 2:1 shall be stabilized with rip rap. Please see *Erosion and Sedimentation Control Plan.*

42. The homes in the project will be built using the design principals and construction practices outlined by the United States Environmental Protection Agency's Energy Star Homes program. According to the EPA, Energy Star Homes save an average of 15% to 20% on heating/cooling costs vs. an average home. Some of the features of a typical Energy Star Home include better insulation, low-e glass in windows and doors, and high efficiency Energy Star rated appliances. Street lighting in the development will be minimal, and concentrated on the areas without homes so as not to duplicate the light provided by decorative fixtures or post lights on individual residences. All common street lighting will be controlled with timers or photo-sensitive activators to limit the time they are on.

43. The development does not contain any Estimated Habitats of Rare Wildlife or Certified Vernal Pools according to the most recent Natural Heritage and Endangered Species Program Maps. The proposed development is essentially a cluster development that concentrates construction and maximizes forested, wetland and meadow-like open spaces which presently remain within the existing golf course. Consequently, wildlife habitat is preserved in those spaces.

44. A Bordering Vegetated Wetland must be crossed in order to access an upland portion within the site. A wetland replication area will compensate for any wetland filled.

45. The site abuts Limited Business, Town of Acton land, Fish & Wildlife land, Acorn Park (A Planned Unit Development), and residential condominiums along Great Road. The residential uses range from apartments to single family homes. The project, with its diversity in dwelling unit types, provides a good transition between the two. The Town land and Fish and Wildlife land abuts the portion of the golf course which is to remain. The project will maintain nine holes of golf as an amenity to the project within the open space. Earthen and landscape buffers are employed in order to ensure the compatibility of the site.

46. The stormwater management system will attenuate site runoff from up to and including the 100 year storm event.

47. Although there are no historically significant structures located on the site, the FEIR Certificate issued for the original project required mitigation to the loss of several boulder quarry locations. The developer elected to salvage numerous specimens of quarried stone exhibiting the markings and drill holes from the quarry process. These specimens were utilized throughout the golf course as steps and tee markers. In the proposed project, a number of these stones from the portion of the golf course that will be eliminated will be re-salvaged and utilized as markers for trail-heads, street names or numbering and landscape features in common areas.

48. An extensive traffic analysis and mitigation plan has been conducted. Mitigation will include measures such as providing multiple access locations to abutting streets, constructing a sidewalk within the site to connect to Palmer Lane and Hazelnut Street and adding Stop Signs at appropriate places to maximize safety. Please refer to the Traffic Study.

3.4 Use Description

The Residences at Quail Ridge 354B Great Road Skyline Drive Acton, MA

Use Description &
Narrative

The Site consists of 155.5 acres, of which approximately 148.9 acres are residentially zoned and 6.6 are business zoned and 21.2 acres of which are covered by wetlands (the "Site"). The Site is currently developed as an 18-hole golf course with driving range, together with a 6,090 square foot "Family Center" (containing administrative offices, a pro shop, a snack bar, and a swimming pool facility), adjacent tennis courts, a 10,200 square foot maintenance facility, and 320 parking spaces (collectively "The Existing Golf Course Facility"). A club house facility has not been constructed.

The Existing Golf Course Facility was developed pursuant to a February 2002 Special Permit for a Golf Course in a Residential District, as amended.

Quail Ridge Country Club LLC is proposing to develop The Residences at Quail Ridge Condominium - a Senior Residence pursuant to Section 9B of the Town of Acton Zoning Bylaw (the "Project" or "Condominium").

The Project will consist of 177 total units of housing, in a mix of single family detached dwellings (91 units), townhouse style duplexes (50 units) and garden style residences (36 units).

The single family detached dwellings will be offered in three styles ranging in size from approximately 2,000 – 2,500 sq. ft. The single family detached dwellings will each have 2 bedrooms and 2.5 baths. The townhouse style duplexes will be approximately 1,900 sq. ft. and include 2 bedrooms and 2.5 baths. The garden style residences will range in size from approximately 1,700 – 2,000 sq. ft. and each will include 2 bedrooms and 2.5 baths.

The single family detached dwellings will be marketed in the range of approximately $690,000.00 to $710,000.00. The townhouse style duplexes will be marketed at approximately $670,000.00. The garden style residences will be marketed at approximately $575,000.00.

All the housing units in the Project will be age-restricted, as more particularly defined in the Master Deed and Condominium Trust for the Project (the "Condominium Documents"). 5% of the housing units (9 units) will be affordable, as set forth and restricted in the Condominium Documents and Regulatory Agreement (and accompanying Deed Rider) governing said units. The affordable units will be marketed in conjunction with the efforts of the Acton Community Housing Corporation and with a local preference as required in Section 9.B.12.7 of the Town of Acton Zoning Bylaw.

At least 50% of the Project will consist of Common Area which will be set aside for the benefit of the Condominium. The Common Area will be divided into two classes: (i) the Open Space and Common Area elements directly appurtenant to The Residences at Quail Ridge

Condominium, as described in the Condominium Documents (the "Condominium Common Area") and (ii) a 9 hole golf facility, which will also include the current amenities of The Existing Golf Course Facility (except eliminating the driving range), as well as adding a approximately 2,500 sq. ft , 56 seat (32 Dining Area/24 Bar Area) restaurant to be constructed on the Site (collectively "The Proposed Golf Course Facility").

The Condominium Common Area will be owned by the Declarant under the Condominium Documents. The Proposed Golf Course Facility will be owned and operated by a Corporation owned by the Unit Owners of the Condominium.

The Proposed Golf Course Facility will store, use and dispose of Hazardous Materials and Wastes (i.e. fertilizers) similar to those used by The Existing Golf Course Facility. This activity will be in compliance with the Hazardous Materials Control Bylaw of the Town of Acton.

Quail Ridge Country Club LLC will abide by all applicable sections of the Zoning Bylaw for the Town of Acton and Senior Residence Special Permit Rules and Regulations in connection with the Project.
