October 11, 2007

Christine,

There is one piece of equipment that I forgot to include in the list for the selectmen's consideration to declare as surplus property the other night. John asked that I E- mail the request to you and cc to Manager Dept. so that the request will go before the board at tonight's meeting.

The equipment is a 1994 Ford dump truck that has rusted beyond repair and has been replaced with a newer vehicle.

Thank you.
