

The Acton Professional Firefighters Local 1904 would like to extend our gratitude to the members of this community for helping to make this year's open house a great success. We hope that everyone enjoyed themselves and were able to learn something new about the Fire Department and services it has to offer. As always, we continue to look forward to serving this great community. We encourage you to offer suggestions for improvements or new displays that could help make the annual Open House more enjoyable. You can do so by emailing us at [www.AFD1904.org](http://www.AFD1904.org)

Jared Crowley  
Pres., IAFF Local 1904
