

PUBLIC MEETING NOTICE

TRAFFIC IMPROVEMENT STUDY

MAIN STREET (RTE. 27) AND HAYWARD ROAD

**Thursday, November 29, 2007, 7:00 PM
The Commons (Cafeteria)
Acton Boxborough Regional High School
Charter Road
Acton, MA**

The Town of Acton, along with their consultant, Howard/Stein-Hudson Associates, Inc. will conduct a community meeting to discuss improvement options at the intersection on Main Street and Hayward Road, along with related improvements at other intersections along Main Street from Route 2 to Brook Street, and neighborhoods adjacent to the Main Street/Hayward Road intersection. The meeting will be structured with a main presentation after which the attendees will be separated into smaller breakout groups to ensure that individuals have an opportunity to ask questions and make comments.

THIS IS THE SECOND PUBLIC MEETING FOR THIS PROJECT.

The first meeting in October gathered the concerns of over 100 residents about this intersection and the Main Street Corridor in general. Input from this meeting was instrumental in developing the improvement options that will be reviewed on November 29th.

YOU'RE CONTINUED PARTICIPATION WILL HELP DEFINE THE TRAFFIC IMPROVEMENTS THAT WILL BE PROPOSED FOR APPROVAL TO THE ACTON BOARD OF SELECTMEN

Call the Acton Engineering Department (978-264-9628) for additional information.
