GENERAL PRE-TOWN MEETING DISCUSSION AND MATERIALS

The general set up of the meeting was discussed. This year they will be using a screen of slides in front of the speaker. The articles are to be taken in order. Selectman Berry and Doug Halley, Director of Public Health, will go with the existing warrant article on the Social Worker. The Town will use any available funds and then adjust the position as the year progresses possibly finding monies in the Nursing Enterprise Fund for the pilot program. For the first year it will come out of free cash, the operating budget. Selectmen Magee asked if we could have opportunity to fund it out of Nursing Enterprise this year. The Town Manager stated we could not make that call by Town Meeting as the Board of Health has not taken their position yet.

DISCUSSION OF CHAIRMAN HUNTER'S REQUEST TO CONTINUE TO SERVE ON SEVERAL COMMITTEES AT THE CONCLUSION OF HIS TERM AS SELECTMAN

Selectwoman Rosenzweig, thanking Dore' Hunter for his many hours of service, made a motion that at the end of his term as a Selectmen, he continue to serve in several of his volunteer roles in town. She made a motion that he should continue as the Representative to the MBTA Advisory Board, Route 2 Corridor Advisory Committee, and the Fitchburg Rail Working Group. In addition he may continue his duties on the Senior Center Advisory, the North Acton Fire Station Committee, in the role of citizen volunteer until the new Board sets priorities and makes changes. He will also continue, if possible, his employment as Veterans Service Coordinator. All approved the motion.

CONSENT AGENDA
