Members of the Board,

I would like your consent to dispose of 116 items that have been removed from Acton Memorial Library's collection. A list of the items is attached.

As of July 1, 2007, there were slightly over 141,000 items in Memorial Library's collection.

Most of the items have been withdrawn by professional librarians on staff due to poor condition, lack of accuracy or use, or because they are no-longer-needed multiple copies of a title which was once in high demand. A few have been lost or severely damaged and paid for by library users or identified as items which are no longer in the collection and need to be removed from the database to maintain its integrity.

Following your approval, they will be disposed of in the manner approved by the Board of Selectmen in February 2007.

Thank you for your consideration of this matter.

Sincerely,

Marcia A. Rich
Library Director

INTEROFFICE MEMORANDUM

TO: STEVEN LEDOUX, TOWN MANAGER
FROM: ROBERT C. CRAIG, FIRE CHIEF
SUBJECT: 2008 CLASS I AND II LICNSE RENEWALS-56 & 60 POWDER MILL ROAD, SITE PLAN
AMENDMENT REQUEST- 60 POWDER MILL ROAD (# 2/19/03-388)
3/31/08 LETTER FROM MARK T. DONOHOE OF ACTON SURVEY & ENGINEERING ON
BEHALF OF AUTOPLEX REALTY, LLC (BERTOLAMI)
DATE: APRIL 24, 2008
CC: ROLAND BARTL, AICP, PLANNING DIRECTOR

Similar to the Planning Director, I also reviewed the above named letter submitted by Mr. Mark Donohoe on 3/31/08. I would like to state that I fully concur with the Planning Directors letter of response of April 23, 2008. The letter was accurate as to the situation at hand regarding this particular site. Since the last Board of Selectmen meeting relative to this matter, I once again met with Mr. Bertolami's engineer to receive his preliminary submittal in the form of a plan and his explanation. This information was formally transmitted in the form of a written submittal and presentation of a possible resolution to the Board of Selectmen. At the time of my meeting with Mr. Donohoe, I told him that I would take his submittal under advisement and later telephoned him to verify that he would submit a formal proposal and I would most likely be asked to review and comment on that submittal at that time, which is the reason for this memo.

My brief response in this matter is that I would refer back to my opinion that was previously expressed in my memo of February 25, 2008. The offer to add a hydrant on the property, while being advantageous for any fire suppression operations on that property or nearby properties has no direct bearing on the issue of the ramp that is required by the site plan and which I commented on in my earlier memo. In addition, while Mr. Donohoe does address the turning and maneuvering of fire and emergency apparatus according to design standards and speaks of pavement striping for fire lane purposes, this scenario is still not as advantageous as a cross-connection and a second means of approach to the site. Certainly backing and turning apparatus, especially under emergency conditions is not as desirable. In summary then, while the addition of a fire hydrant would be advantageous and the delineation of a fire lane by striping would be beneficial, these possible resolutions do not fully address the maneuvering of apparatus and a second means of approach to the structures that the ramp as presently required would provide.

I know nothing of her being the last opening. Eva will be able to tell you if folks were sworn in. Shall I put her on the Consent for Monday?

Yes I am. I have already interviewed Rajni. I recommend her to join the committee. She was told that she is the last official appointee. There are people who are on the list who have not been attending and I will contact them to see if they wish to resign. I also don't know who has been sworn in and who hasn't. Can I find out directly through the Town Clerk or do you handle that?

Rajani, We received your Volunteer Application. As clarification, do you want a position on the Volunteer Coordinating Committee or to serve on the Acton Outreach Steering Committee? They are different. VCC interviews folks for appt. to committees and is a permanent committee, and the Acton Outreach Steering Committee is advisory to the Board of Selectmen and will terminate at the conclusion of their task. Please let me know which one you want as it gets sent to the VCC or Steering Committee.

Christine
