Michaela Moran and Miriam Rykles  
77 Nagog Hill Road  
Acton, MA 01720

Dear Ms. Moran and Ms. Rykles,

Enclosed is a copy of Certificate of Appropriateness #0806 for the new septic system at 77 Nagog Hill Road.

The application was approved with two conditions by the commission at a meeting on April 22, 2008 pending the signatures of all abutters to a waiver of a public hearing on the proposal. All of those signatures are now on file with the commission, and the work may proceed as soon as all other permits have been received.

Please note both of the conditions. We will look forward to reviewing the construction before completion to assess whether vegetative screening is needed.

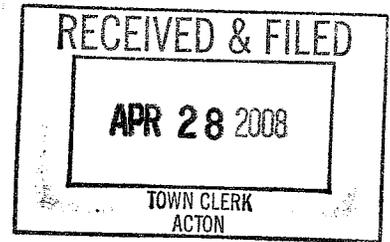

Sincerely,

Anne Forbes
