Subject: Charlotte Sagoff Memorial

Hi,

Can we hold a tentative slot on the May 19th meeting for a presentation on the Charlotte Sagoff Memorial? Charlotte Sagoff was an active member of the Acton Community for many issues, especially environmental issues. She was the founder of Acton Earth Day and the group Acton Citizens for Environmental Safety. A group of citizens is planning a memorial garden and sitting area as a tribute to her, and want to brief us on the plans.

Sincerely,

Lauren
