**Subject:** FW: News from Miles Electric Vehicles Northeast

Hi Steve,

Can we put the Green Team or "Formation of an Acton Green Team" Committee on the agenda for June 9th or the soonest open slot?

Terra and Andy--is there anyone else we should contact for such a discussion?

As far as "green" information goes, I'd suggest we start a folder with any info we get that might be helpful in the future regarding energy savings, energy efficiency, green building, water conservation, etc.

Lauren

**Subject:** Re: News from Miles Electric Vehicles Northeast

Lauren/Steve,

Can we start a "green acton" mailing list so things like this can be forwarded?

The Acton Green Team will be getting together their plan soon enough, but in the meantime, it would be nice to have "a place" to forward this stuff, so that it's easily accessible. Or maybe Steve can put it all in one place so that it can be forwarded to the Green Team eventually?

Also, Lauren, can you put the Green Team on the agenda so that we Andy and I can report on what's been happening?
