Dennis Ring
Project Manager
The Residences at Quail Ridge, LLC
354-B Great Road
Acton, MA 01720

Dear Mr. Ring:

This is in response to your letter of June 27th addressing the concerns of The Water District from the submittal of your "Water Impact Report". We are satisfied with your response associated with irrigation of the remaining 9-hole golf course, and appreciate your commitment to include The EPA Water Sense program in your standard specifications. Any conservation of our most important natural resource will be a benefit to the entire community.

We look forward to working integrally with you on this project. Please contact us if you require any further information.

Thank you

Respectfully,

A handwritten signature in blue ink, appearing to read "Chris Allen", written over a large, stylized blue scribble.

Chris Allen
District Manager
