I do not normally address one day liquor licenses. The Board of Selectmen usually makes that decision without my input unless there are some traffic and/or large crowd concerns. This appears to be one of those instances.

For this request I would only suggest that the planners make arrangements to park visitors across the street in the mall lot if they expect to have parking issues. Other than that I have no concerns and recommend that the Board issue the one day permit.

If there is any concern that the crowd may be big enough to cause traffic problems on Rt. 2A then a detail officer might be warranted. If so, they should contact Det. Cowan at the police department.
