Subject: RE: Chamber site end of project celebration

Hi Linda,

I will be unable to attend due to a prior commitment, but I will ask the Board tonight if someone can attend in my place. I am sorry that I will miss it the celebration. Congratulations on completing the project!

Lauren

Subject: Chamber site end of project celebration

Hi Lauren,

On Saturday, September 27 at 1:00PM at the Nahoba Brook Chamber site, there will be a Project Completion Celebration for everybody who contributed in any way to the work on and success of the restoration of the Nashoba Brook Stone Chamber Site.

Tom's office will be sending out a formal invitation this week, but I wanted to give you a heads up, and ask whether you, or another Board member who was already serving when this project was first presented, would be willing to say a few words. The only 'program' planned is thanking a long list of folks who have participated in the work of the project or supported it in any way. I'd like to have those participating committees and boards speak for themselves if possible.

Hope you or someone on the Board can make it. Andy is busy.

Thanks, Linda
