Hyatt Regency Hotel

Marquis Room
One Avenue de Lafayette
Boston, MA 02111

Help achieve the MetroFuture vision!

**Join Lt. Governor Timothy Murray and the
Metropolitan Area Planning Council on December 2,
when we will discuss and help prioritize the
"Implementation Strategies" that are needed to
achieve the MetroFuture goals and scenario.**

In May, the MAPC Council voted to adopt the goals and scenario of ***MetroFuture: Making a Greater Boston Region*** as the region's official blueprint for growth and preservation through 2030.

Not content with developing a plan just to see it "sit on the shelf," MAPC staff have worked with the subregions, the MetroFuture Steering Committee, and experts from across the region to draft 13 Implementation Strategies that will together make the MetroFuture vision a reality. To learn about them as they are being finalized, visit www.metrofuture.org/strategies.

On December 2, we hope the Council will adopt these Implementation Strategies, which will guide much of MAPC's work plan moving forward. Participants in the morning's activities will have the opportunity to engage in lively, interactive discussions that will also inform our work to implement MetroFuture.

We hope to see you there!
