Springhill Commons Apartment Complex, Great Road and Harris Street
Norfolk Ref. No. 781.1.3

Dear Commission Members:

Norfolk is pleased to offer this letter in support the request for a Certificate of Compliance that was sent on October 21, 2008 for the above-noted property. The Order of Conditions for this project was issued to GPT-Acton, LLC on October 11, 2006 for the work associated with the construction of a wastewater treatment facility to serve the five (5) apartment buildings that comprise the Springhill Commons apartment complex.

The construction of the wastewater treatment facility is substantially complete and the affected areas surrounding the wetlands have been stabilized by vegetation. The work was carried out in substantial compliance with the Order of Conditions and consistent with the plans entitled "Wastewater Treatment Facility, Spring Hill Commons, Acton, Massachusetts," dated 5/31/06 and 6/20/06.

Sincerely:

Norfolk Ram Group, LLC
