

Town of Acton

Project: 107 – 115 Great Road, Acton , MA  
Proponent, Leo Bertolami; Engineer, Mark Donohoe

Date of review: 2/04/09

Dear Cheryl,

Per your request the Design Review Board would be happy to review the proposed plan at 107-115 Great Road, Acton with the proponent and/or his rep.

We have Wednesday, February 18 at 7:45 available if this time is convenient. We meet in room in Room 126 Town Hall.

The DRB was unable to review the attached plan at our February 4 meeting because it appeared to be an as-built set. It is unclear what changes, if any, the proponent intends to make.
