**Subject:** EDC MISSION STATEMENT - ANOTHER REVISION

Bruce:

We have had a couple of suggested word additions to the revision of the EDC Mission Statement, and below --- for updating into your system --- is the most recent version with those word additions included.

The newest EDC Mission Statement now reads:

### **MISSION STATEMENT**

To help attract, retain and grow business and jobs in Acton to expand the tax base and improve the economic environment and quality of life for its residents and meet the long term needs of the community

To enhance the value and desirability of our community by supporting the needs of current commercial and industrial businesses.

To encourage the appropriate re-development of empty office space or underutilized property.
