Subject: Re: FW: Outreach Steering Committee meeting - 3-11-09

Hello Kristin,

I am sorry for being so long in responding to you, as I keep hoping that I can respond AND send my comments at the same time. I will plan to be there on March 11, and will send along whatever little things I'm likely to have at the soonest possible time. I've skimmed through and don't have any major concerns, so I'm most likely to have little items, and possibly suggestions about tone.

Mary Ann Ashton
