In 1962 Surfin' Safari scored the Beach Boys a #1 hit and the rest is history! It's our annual Beach Party Blast at NARA Park. So we're waxing our surfboards and getting ready for lots of fun and games for all ages! Fun time 5 – 8 PM, Concert Time 6—8 PM.

The 60s Invasion is not a bar band. This a show band with experienced musicians who know how to engage and entertain an audience and they do just that for 90-plus minutes of nostalgia, comedy, audience participation and, yes, some great old rock 'n roll. David, Jack, Bob and Dave work hard the entire evening and the audience shows its appreciation with a standing ovation at the end of the extended encore. **Website:** www.sixtiesinvasion.com
