Subject: Re: HDC appointment of Brian Bendig

Anne,

Mr. Bendig was appointed as an Alternate Member on my motion last night. I did point out that he had not been interviewed and that the HDC is different from some other Boards etc. in that Alternates can vote if regular members are absent, suggested we do interview such Alternates in the future, but saw no need in this particular case to hold the appointment up for an interview. If the HDC, however, wants him named a regular member I would be inclined to ask the BOS to have him in for the usual interview.
