**Subject:** Request to collect money at transfer station for school team support

Hello,

I'd like to request if a few of our soccer players can setup a table and sell Gold Cards at the Acton Transfer Station.

We've done this a few years - successfully. Our Team as AB HS Soccer (Varsity, JV, Freshman). Our organization is known as Soccer Boosters. We are comprised of the players parents, to support fund the requests and needs of the Soccer teams/fields/community.

We are looking to secure Saturday October 17th from 9 AM till 12 AM. We would have 4-6 players present, in their soccer uniform.

Please let me know if this possible. If this time is not free, please let me know alternate options available.

Thanks for your support,

Carol Zimmet
