Re: Wetherbee Plaza application (#11-07-03-393)

We apologize for replying later than February 9, but our committee did not have a meeting until this week on February 11<sup>th</sup>.

In general, the sidewalk committee would like to see sidewalks constructed, if feasible, to connect Braebrook Rd to Great Rd. There are residential streets connected to Braebrook Rd, as well as an over 55 community. It would be an asset for them to have good walkable access through this newly reconfigured property.

Please let us know if you have any questions. Thank you.
