One more thing for the agenda on Monday. Approval of the STF working group for a waste water solution. This should go on the consent calendar.

Hi,

Thank you all so much for volunteering to work toward a wastewater treatment solution for the STF neighborhood.

I will be recommending the 6 of you to the Board of Selectmen at our Monday, 9/21 meeting. It will be on the consent agenda, so there is no need to be present.

I am tentatively scheduling our first meeting for Tuesday, Sept. 29<sup>th</sup> at 7 PM at the Senior Center. Please save the date.

I will get back to you to confirm your appointment, and tell you how to get sworn in at the Town Clerk's office.

Lauren Rosenzweig
