Hi, Christine,

Mike and I have discussed Dore Hunter's application to be an Associate Member of the Community Preservation and recommend his appointment by the Board of Selectmen. Hopefully you can add Dore's appointment to the Consent Agenda for Monday night's Selectmen's meeting. This would allow Dore to join the CPC for our meeting on October 1.

Jon

Ken, thanks for forwarding it to Jon. However, the way we process Volunteer Applications for all boards & committees now is that once the VCC reviews and makes a recommendation to the BOS. Then the next step is the Committee Chairman and the Board of Selectmen's Liaison to the board/committee get together off line and then once they make a decision I am asked to put it on the Selectmen's Consent Agenda for the next Board meeting, this eliminates the need for the Applicant to attend a BOS Meeting. Mike will get in touch with Jon and hopefully, make a recommendation on Mr. Hunter's Application. If you have any other questions let me know.

Christine, Jon Benson is the new chair (I am forwarding this to him at the same time). My recommendation is if we could get it on the October 5th calendar it would be great. Jon can weigh in as to his choice.

The Acton Volunteer Coordinating Committee met Sept. 14,2009 and interviewed Dore Hunter for an associate position on the Community Preservation Committee. He is in involved with several Town Committees but does not feel this would be a conflict of interest if one of these groups makes a request.

After much discussion, we feel it is important for the Chair. Of this committee interview him for the compatibility with him on the C.P.C. available position.
