Subject: Green Advisory Board appointment with Planning Board

Kristin:

I hope all is well.

The Green Advisory Board would like to get on the Planning Board calendar for a future meeting. The purpose of the appointment would be to discuss Acton's possible adoption of the "stretch" building code. The Selectmen will be considering this issue in the spring, and have asked us to reach out to other boards for comments, concerns and/or support.

Cheers,

Chris Schaffner
