Acton, MA 01720

Dear Mr. Ledoux:

Enclosed is a check for \$7000 for the Dolan Leys Fund, for the benefit of the Acton Public Health Nursing Service. My mother, Rita Dolan, had donated some funds prior to her death in May of this year. Her will indicated that this additional donation be made. I apologize that it's taken this long to get it to you.

I trust that you will honor her requests for the funds to benefit APHNS. The Nursing Service played an important role in her life. She was an active FANS volunteer, an enthusiastic supporter of APHNS wherever she went (I heard her countless times asking doctors, nurses and patients if they knew of Acton's service and then promoting it), and a recipient of their excellent care for her mother, her husband, and herself. Acton should be very proud to have such a terrific service available for its residents.

Sincerely,

Beth Stefos
