RE: Special Permit Application  
Craig Road, Acton, MA

Dear Members of the Board:

As you are aware, this office represents SBA Towers II, LLC regarding a proposed wireless telecommunication facility to be located at 5-7 Craig Road in Acton, Massachusetts.

Attached to this letter please find twelve (12) full sized copies, as well as twelve (12) reduced copies, of the revised site plan. The plan has been revised to reflect the suggested changes and address comments made by the various Town departments as well as by Mr. Maxson. Furthermore, the location of the tower, as well as the tower compound, has been slightly relocated per the request of the property owner. The tower has been relocated approximately twenty (20) feet to the southeast. The tower and the compound comply with all setback requirements within the Town of Acton Zoning Bylaw. This change, while minor, will aid the property owner in ensuring that the existing site will not be impacted by the construction of the tower and tower compound. Thank you in advance for your time and consideration.

Sincerely,  
Deschenes & Farrell, PC
