Ref: SBA Tower Erection at 5 Craig Road

Attn: Planning Department

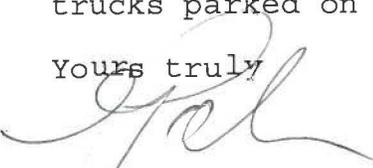

Sean Gormley from SBA Towers asked me to provide the planning Department evidence that 5 Craig Road had been used as a parking lot prior to SBA's request to erect a communication tower on the property.

Palmer Realty Company bought 5 Craig road in 1993 and John Palmer Movers has been using it as a parking lot since that time.

The previous moving company, Suffolk Storage Co. built the building at 7 Craig Road around 1968 and used 5 Craig as a parking lot.

Please see two aerial photos one taken 4-1-72 and one taken 8-23-93 indicating the parking lot at 5 Craig Road with trucks parked on it.

Yours truly

Leonard N Palmer
Treasurer
