Re: Wetherbee Plaza Extension
107 – 115 Great Road

Dear Members of the Board:

This letter is to inform you that I delivered Acton Survey's responses to the Planning and Engineering Departments comments received on Tuesday and a copy of the As-Built Plan revised in response to those comments.

The responses and revise plan were submitted to Roland Bartl before noon today to allow them to be included in information provided to the Board on Friday and prior to the May 31, 2010 deadline.

I am also requesting that the Board allow the buildings to be occupied.

Sincerely,

Leo Bertolami, Manager
