Soccer is a wonderful way for kids to experience being part of a team, and even young children can pick up the fundamentals quickly. They will learn through entertaining drills like "red light, green light", "monkey in the middle", and "freeze tag", and have so much fun that they won't even realize how much they are learning – at least until the scrimmage comes and they score their first goal! Please send your player with something to drink! Each participant will receive a FirstPlay Sports t-shirt!

NARA PARK BEACH IS NOW OPEN THROUGH AUG. 25!

Sign up now for a season membership! Daily rates also available at the beach.

Red Cross Swim Lessons are available throughout the summer for group, semi private and private lessons. There is a snack bar and bathhouse onsite and boat rentals.

NARA SUMMER CAMP

Register now online for our NARA Summer Camp for our Mighty Mini Program for ages 4 & 5 and for our Youth Program for ages 6-13. Exciting themed session weeks begin June 19 through August 25th (last session 3-days only).

NARA Summer Camp is a well-rounded program filled with many activities with an emphasis on safety, non-competitive atmosphere and a sense of well-being. Our NARA Park staff is comprised of local college students, many of whom attended our camp as children. They take pride in their role as a counselor or lifeguard.

Price per camp session week has remained unchanged since 2007 and is one of the best values around!

Even better, this year Red Cross Swim Lessons are part of the camp curriculum for ages 4-13—a \$55 value. Forms may be obtained at the Acton Town Hall or online.
